SERVICE WITH SCALE

The impact of Lument's innovative financing is reinforced by the financial strength of its parent company, ORIX USA, which has more than \$78 billion in assets under management. ORIX affiliate Boston Financial Investment Management (Boston Financial) specializes in the syndication of state and federal low-income housing tax credits (LIHTCs) and has invested over \$13.1 billion of equity in LIHTC properties since 1986 and currently manages over 1,125 properties. With completion of the acquisition of Boston Capital's fund portfolio, Boston Financial is a national leader in the LIHTC industry with a \$15 billion portfolio.

RAD SPECIALISTS

Lument has been a leader in Rental Assistance Demonstration (RAD) executions ever since Congress authorized the HUD program in 2012. We have supported housing authorities across the country, from El Paso to New York, with expertise and development services in both debt and equity financing.
